SIR:

Responsive to the issue raised in the letter of January 18, 2005, concerning the required fee under 37 CFR 1.17(i), applicants point out that, in fact, the request to delete inventor Drexel was filed with a credit card form for \$240.00, \$110.00 which was for the Terminal Disclaimer which was filed and \$130.00 for the deletion of the inventor, as is evident from the enclosed copy of the date-stamped filing receipt. In addition, the cover sheet of the filing specifically requests that, in the event any additional fees are necessary for the papers being filed, that such fees be charged to applicant's representative's charge account. Accordingly, it is not believed that the filing of the Request under 37 CFR 1.48(b<sub>1</sub>) is defective and the deletion of inventor Drexel is hereby requested.

Respectfully submitted,
